Lesson Stages

Time	Goal	Procedure	Int
STAGE 1: Lead-in – Balance Beam Discussion			
3 min	To activate thinking about how small, meticulous adjustments lead to big improvements	• Show the image of Suni Lee on the balance beam • Ask: “What does it take to stay on the balance beam?” • Elicit: focus, tiny adjustments, listening to your coach’s feedback • Ask: “How is this like writing?” • Elicit: you read your teacher’s feedback, you fix small things – a comma here, a complete sentence there – and your score improves • Bridge: “Today you get your feedback back. Every small shift you make will bring you closer to your best score.”	T-Ss
STAGE 2: Feedback Report Tour			
2 min	To familiarise students with the four scoring areas of their feedback reports	• Show the slide listing Content, Communicative Achievement, Organisation, and Language • Walk students through each section briefly	T-Ss

Time	Goal	Procedure	Int
		• Emphasise: "Today we focus on the Language section – that's where small fixes make the biggest difference." • Do NOT read out any individual student's scores	
STAGE 3: Common Errors – Punctuation			
3 min	To highlight and correct the common error of placing spaces before punctuation marks	• Show Slide 5 (auto-animate entry): "friends at school , so if you be that how would you feel ?" • Ask: "Can you see anything wrong with the punctuation?" • Advance to Slide 6 (auto-animate reveal): corrected version with the rule displayed below • Emphasise: spaces go after punctuation, not before	T-Ss
STAGE 4: Common Errors – Sentence Fragments			
3 min	To show how incomplete sentences (fragments) can be expanded into complete sentences	• Show Slide 7 (auto-animate entry): "raised and taught differently and inspired or influenced differently" • Ask: "Is this a complete sentence? What's missing?" (subject + finite verb) • Advance to Slide 8 (auto-animate reveal): corrected version with the rule displayed below • Remind: every sentence needs a subject and a verb	T-Ss
STAGE 5: Independent Rewriting			
30 min	To apply feedback by rewriting the article draft	• Hand out printed feedback reports (one per student with their original writing attached) • Show Slide 9 with instructions: "Read your feedback. Then rewrite your article." • Circulate and offer individual support • Collect revised drafts at the end	Ss (individual)
STAGE 6: Wrap-up			
5 min	To consolidate learning and celebrate improvement	• Ask 2-3 students: "What was one thing you improved in your rewrite?" • Remind: "Every small shift – fixing one comma, completing one sentence – makes your writing stronger" • Collect final drafts	T-Ss
